Table of Contents

EOI for the supply of different types of Training and certifications

1. INTRODUCTION

This Expression of Interest (EOI) is issued by Ethio telecom to invite qualified training providers to submit proposals for delivering a comprehensive range of training and certification courses across various critical categories. The objective is to enhance the skills and knowledge of our workforce in key areas of technology and business.

Ethio telecom is seeking expressions of interest from experienced and reputable training organizations that can deliver high-quality programs. By investing in workforce development, we aim to strengthen our competitive edge and reinforce our position as the preferred telecom service provider in the region. We are particularly interested in providers who have a proven track record in delivering impactful training and certification solutions that align with industry standards and emerging trends.

2. Purpose

The purpose of this EOI is to:

I.   Identify qualified training providers with expertise in delivering high-quality training and certification program

II.   Gather information on potential providers to assess their capabilities and offerings.

III. Create a shortlist of providers for a subsequent Request for Proposal (RFP)

3. Scope of Service
